第58話

恐怖のタレコミ!!

back to your
old life style
— you being
an irresponsible
drunkard

Really?

I think
that...

maybe...
you should
go back...

I can't

please eat
something,
please

be a good
boy!

Yoshika...
eat this...

This happened
because you
said you'd shape
up

No way!

This is too
much for
Yoshika,
he...

I'd throw
it up if
I eat it...

It's just that,
I was thinking

Maybe
already!

See!

You do
have a
point.

maybe if we
go back to
Okinawa...

ugh...

...not even
Yukino...

I couldn't say anything to that!

The first time I met Yoshikazu...

he said that a kid can't choose his father...

Katsuragi! That's... childhood!

So... you want respect?

That I want to be looked up to like how it is with Enzo and Nanami; I just want Yoshikazu and Yukimi to be proud of me!

he needs his parents

So, Katsuragi! A child needs his share of a safe and secure childhood...

Enzo?

パニック

I don't think that Nanami would have been proud of me working as a male... probab...

and I... I didn't really... took care of him... more like the other way around

Yoshikazu lived without his mother since he was very little...

I know

But this won't solve the problem...

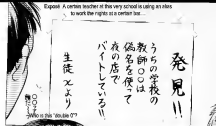

Both of you are right...

And I am responsible for Kobayashi's living expenses!

But Masaru is just beginning to find better...

ugh... should I come closer and just hope for the best...?

If too... hope the poster was just a prank...

Or maybe I can...

mean left side...

go borrow money from Sugihara-san

or maybe the plot of land...

This is
MOM's
Ring!

a ring!

But I guess
that this is
one of those
times when
I can go to
him for advice
if he is still
here.

I've been
without a
father since
I was three.

sooo
happy to
see this!

they...

will be

Who wouldn't
than it's
sight!

God, I
am
woud!

what has
happened
to me...

Oh, Leon,
it's because

I'm single!
What about her? She looks
really down

Oh!
Leon

we meant to
to cheer her
up tonight!

she hasn't
even
smiled for
a year!

and she has
already come upon
some hard times,
her husband lost
his job, etc.

and it's been
three months
since they
have any
income.

I'm glad
you're a
teacher!

What?

Er...!

I won't
time to
spend with
Kazumasa

Otherwise,
I might've

because
you're a
teacher

I try my
best at
school too

Leon?

Is
something
wrong?

Gaaah

KANEKO

THAT'S IT
...WE'RE

ON YOU!

YOU

Kamiko

It wasn't

WHY?
Why are
you doing
this?

is that
why...

...even, young
single women
who lives alone
like you do
just aren't safe

Why didn't you
say anything
back then?
I would've
given that guy
such a pounding
you...

That person
must have
thought that
we were...

as soon as
something

That night,
the reason I
visited...

was that I
was being

and I...

a

a mistake...

ah,
Furuya

Furuya

I'm sorry!

What's
the

Furuya
sensei!

EH?

You smell
really
nice today

Are you
wearing
perfume?

I didn't
have money
to buy you
toys

so I brought
you here to
the beach to
play all
the time!

Do you
remember?
When you
were just
as little as
Narumi is

I was
young,
I was
stupid,
I was
wasteful

Hey!

Do you
remember?

sigh - and
you would
tell Dad,
wait for me!

And we
would run
all along the
beach...

Come and
Yosh!

It's the
sea!

and brings me
home when I
get in
trouble...

Now that you
are the one who
cooks and cleans

You were so
little then

And I was
more like
the father!

Alright!
We'll go home
and we'll have tea!

Here!

chick...
tea...

You always
make the
tea too
bitter!

Dad,
wait!

Since
when...
were our
roles
reversed...?

You
bully!

Wait for me!
I can't run
as fast as
you!

Dad...

Dad...

run...

Dad, I'm a
little
bit hungry!

they cannot
prevent us
from...

even if
there're
attacks

Ah, the
changing
world,

the joy that
life gives
us...

This
tastes
wonderful

you see, homie,
eh, right?

You do know
that the policy

I don't

That peak of

Just what

Just wanted

She won't be fired

Relax, it's nothing, just a couple of days of leave

I am the one that should be punished!

The bells rings you get to stand

But Sir, no need

It will be fine!

You don't have to cry

You said it!

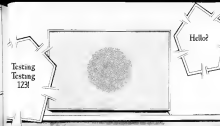

That wasn't bad! Not as good as getting some, but still food!

Now

as long as
you are not a
big spender,
you don't even
need to have a
job to tie you
down

no problems
with money
here

live life
free, you
know?

Wow, this is
great!

Well, this
IS fresh
sushi!

I will...

Just something
to think about
you know.

now that
I am
free...

think about
it...

Alright!

Is this still
Japan?

They
catch their
breakfast?

It's like
sushi...

No sushi,
but some
pretty big
fish!

I wonder
what they
are doing
back home...

I'll ask
Enzo his son to
not come
home so soon...

Yipps, the
apartment is so
much bigger
now...

第68話 流れゆく雲のように

Spending
time like
this...

Fish, you
don't even
speak
English...

at least I
know names
you! You
don't stand a
chance!

Whatever, like
you'd ever been
with a guy
before...

something
so normal
and carefree

No, but I
know about
it

it's been
too long...

Gays, why don't
we can
make our
own names?

names?

Their love
names are
different.

Bah, we'll hit
another one
that doesn't
dose this
early!

Alcohol is
apparently
a big part
of life here

or maybe
it's
just these
guys!

But Norman
would...

Enzo, you
aren't drinking
your fair
share!

What?

What's
looking
with her?

Do I?

Check out
that foreign
babe!

Why am I thinking about her?

I must be getting drunk.

What am I thinking?

Ohhh, my Obiwaaw goddess, I probably won't get to see her again.

Hee, Hee!

Hey, who don't we sing one.

You said I should warn you I am Good!

Haha, Obiwaaw folk songs...

GASP!

Is that you, Leon?

Leon, it's me!

Have you forgotten about me already?

Leon? Who would call me that? My aunt!

Ahead to look up

huh, you got me...

Second thoughts! Don't want to embarrass yourself in front of the ladies, eh?

I was kinda hoping I'd run into her again, but no such luck.

Katana'd

Katana'd

Having
Pool?

Do you
still
remember
?

Today is
the
anniversary
of his
death...

You
guys!

Then
why.....

Of course,
you guys
could not!

He'd
Calm
down

and
sometimes
be comforted
or cleaned up

the place was
where a lot of
people go to
mourned

it was weird,
it shouldn't be
like this but...

Well...

And damn it,
it was fun,
I was happy,
and it was
good money!

Now that I
think about it

It was an
important job,
I even help
people!

RIGHT!
Well said!

So that the
Shu can hear
us all the way
from heaven!

Come on,
Baka, do
our
best!

Okay!

Bring it
back!

I'll take
him
home.

Scrap, he's drunk,
don't mess
him!

I've...

that he'll
work even
harder at
volleyball...

always looked
up to Shu and
Kazumaki scraps

when Shu scraps
dad, Kazumaki scraps
and that...

Come on, he
remembered.
He cares!
It's just that

But it
wasn't
long
before...

he left and
went to
Tokyo...
how could he

It cost
disrespect to
forget about
the dead.

It allows us
to live on,
to not dwell
on the past.

But they'll
learn

But,
these kids
are still
young

It's like a
gift of
nature...

a gift of
nature?

Hey
Katanaka

the
reason
you left
Okazawa

More! I
gotta have
more!

I don't know
it was a lot
of things...

wasn't it?

was to
forget about
your friend

Guess I
don't
miss
much of a
friend...

I was
just so
busy...

I really Had
forgotten about
him...

To tell you
the truth,
with Yukimori
and Yofu and
my job and
stuff...

Show him
your
stuff!

Wah!

Oh, this
is my
son,
Akel!

without a
case,
however.

The
clouds
will
wander
(Haha)

He said he's
going to be
an artist!

Wow, this is
really
professional;
look at the
texture!

And then
Hachikane
once again
picked up
his bag!

Enzo!
You're back!

I wasn't
tired, and
we were all
drawing...

Noooo,
why aren't
you in bed
already?

Now
I leave
—

what's
so
different
—

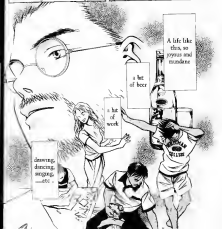

what is it
that they
have but
I lack...

and then
she
danced
—

and has
sung for us
—

A life like
this, so
joyous and
mundane

a lot
of beer

a lot
of
work

dancing,
drinking,
singing,
—and—
